Work experience

GAIL(India)Limited 01.07.2011 — 30.09.2015

SENIOR MANAGER

During this period as a Senior Manager, worked:

1. **DABHOL BENGALURU 750km RLNG pipeline project.** Involved in the project from the pre project activities, of pipeline route survey, coordinating with different agencies for permissions to lay the pipeline across, Rivers, Roads, Railway lines etc.,

Worked as a project in charge for 60Kms line of 24" dia, coordinating with different agencies for execution of the project.

Supervised the overall pipeline Cathodic Protection system, design and implementation and supporting Solar electrical system all along the pipeline including all SV and IP stations.

Coordinated with competent authority for estimating and disbursing of compensation to land owners, which is very crucial in any pipeline project for faster and smoother execution of the project.

2. **PATA PetroChemical Plant:** For a brief Period of 4 months, involved in the Cathodic Protection system implementation of the newly erected expansion plant, where we have lot of Cathodic Protection Power Systems, anode ground beds and CP system for underground pipelines and tank bottoms, including shallow anode bed and deep well anode beds.

GAIL(India)Limited 01.07.2006 — 30.06.2011

Manager(LPG Pipeline Maintanance)

LPG Pipeline Maintenance: Taken care of 150kms length section of 12" LPG pipeline of Vizag Secunderabad LPG pipeline project at Suryapet, present Telangana state of India. Taken care of total responsibility of over all health of Pipeline including all associated SV and IP installations. Taken care of Electrical, CP and Piping systems.

Taken care of maintenance of ThermoElectricalGenerators installed at all SV and IP installations to power the Cathodic Protection system. During this period as we have taken care of all preventive maintenance schedules very religiously and followed all safety precautions, we have never faced any downtimes of pipeline operations and we never had any safety issues.

GAIL(India)Limited 21.4.1986 — 30.06.2006
